Fly through

Living room

A cathedral ceiling over a tiled gas-log fireplace, with a niche above it for art or a television.

Dining area

Opens to the kitchen and a breakfast nook.

Kitchen

Wood floors, a GE range under a matching GE microwave, a stainless side-by-side with ice and water in the door, and a long peninsula. It walks straight out to the deck.

Primary bedroom

With its own bath, a corner soaking tub under the window, and a walk-in closet.

Finished basement

Huge, with daylight windows, an office area, a family room, a big bedroom and a sitting area.

Workshop

Unfinished space with a long workbench and room for storage.

Deck and backyard

A railed deck over a fenced backyard.
